Message from Governor Rick Scott

Florida's history has been written, in part, by the contributions of strong Hispanic leaders who have helped shape our great state. During Hispanic Heritage Month, we take time to recognize the contributions of Hispanic Floridians who have enriched our communities with their traditions and cultural practices while pursuing the American dream. It is my privilege to join all of Florida in recognizing Hispanic Heritage Month with this year's theme, "Recognizing the Past, Honoring the Present and Celebrating the Future." The 2015 Hispanic Heritage Month Contests will help students learn about the contributions and important role of Hispanic culture in Florida. Florida is proud of our strong history, and we will keep working to make Florida the best state for families to live their dreams.

What is Just Take 20?

The Florida Department of Education created the Just Take 20 campaign to provide K-12 Florida families with practical, easy-to-implement reading activities that establish literacy as a lifelong value. Just Take 20 encourages families to seize everyday teachable moments by using 20 minutes a day to integrate reading into their busy lives. Families are invited to create their own custom literacy plans and have fun while learning!
